He'd never before seen an accidental fatality such as had happened at the beach, someone overpowered by the forces of nature. The writing is fresh and takes chances. The details of death were increasingly interesting to him, and not just because it was less "later when I'm old" and more "any day now," but because they seemed to come in two extreme varieties: the mundane and the horrific.

Jun22, Ericaratedititwasamazing. Some memories are better left buried in the past. Things have been building toward this, he said, concentrating on the empty screen and then turning to smile complicitly at .
