These links work in the same way as an Internet link. Section 3 provides for definitions, Section 9 deals with participation of armed forces in anti-terrorist operations, Section 19 provides for social rehabilitation of victims of a terrorist act and Section 21 for compensation and measures of social protection. Open in a separate window.

The EITI can indeed be a good way of discovering where the major bottlenecks are. For more information, please contact Soulayman Jiddi, at Soulayman. Willingness to pay to avoid minor morbidity: an international comparison.

It might be noted that the United Kingdom, the country initiating the EITI, is not the only one. Other countries have made public announcements of their possible interest in becoming candidates.
