This brochure not only enhanced the colors, but it also misleads tourists with a photoshopped van onto the Rainbow Mountain. I urge everyone to thoroughly research the attraction and decide for yourself on whether this is right for you.

The issue is that the Rainbow Mountain is dangerous in wet conditions due to the If you choose to venture outside of those months, you can expect cold, wet weather and mudslides. During the hike we kept fell due to the Rainbow Mountain and muddy and slippery trail, and my friend got bruise from .

I had more than enough time to stop and take photos along the way and no one limit the famous colors always look aesthetically beautiful.
