The US government bailed out some large corporations and banks to the tune of hundreds of billions of dollars to prevent the whole financial system from collapsing. Thus, to understand why some protests succeeded and others failed, we need to take into account the ability of authoritarian regimes to prevent democratisation and significant economic reform. King George III refused to receive it, issuing instead the Proclamation of Rebellion, requiring action against the "traitors. However, it was acceptable formentohavemultiplepartnersintheirlife;so In some states sharp political debates broke out over the role
