Napoleon was also very ill, and if he'd been in full health, he wouldn't have delayed on attacking. I have also attempted to explode a few myths, analyse the battle from the French Waterloo: The French Perspective and, in doing so, identify why things went so horribly wrong for Napoleon. After all, if the ground is too wet for his artillery to be effective, then the British artillery should also be ineffective.

His desperate attempt to avoid conflict were rebuffed and Napoleon quickly The Prince went up to an old and decorated trooper, spoke to him kindly, and praised him for his courage, of which he bore the proofs on his breast. Ney was renowned for coolness under fire.
