They then make the decision to end the conflict peacefully with Nanami. Curiously, for a game so clearly inspired by the RPG genre, there's no shop, so the only way to restock on health kits is to tromp around the same screens, smashing the respawning crates and hoping that the random contents will provide what you need. NorrieDuncan4episodes,Namespaces
Article Talk. She explains how she and other witches were experimented at a top-secret lab until they escaped from an accident.
