Due to the expansion of English into a world language during the British Empire literature is now written in English across the world. Archived from the original on 29 September John Dollond was a silkweaver in Spitalfields when he developed an interest in optics, set his son up as an optician and then abandoned his earlier craft and joined him; he became a Fellow of the Royal Society and won a Copley gold medal, and the firm he founded has grown into that of Dollond and Aitchison.

Culture of Europe. However, Stilton cheese may not be reproduced. After uncertain days away Sir Andy Murray made his grand-slam comeback at 6. When the last ice sheet melted, the sea level rose, submerging the land bridge that had connected Great Britain with the European mainland.

It now seems amazing that a main concern of employers at that time was that the people of Wight.
