Horsemen had changed to a kite-shaped shield and were usually armed with a lance. William the Conqueror. Pricemayvary. Hardly a beginners look at the Norman conquest. Once they learned the truth, Tostig was all for a fighting retreat back to Riccall and reinforcements, even though the English occupied the only viable route back, but Hardrada was determined to stand his ground; he did, however, send his best riders back to the fleet to ask Eystein Orri to come with all speed. The speed of his advance has always drawn superlatives from historians used to the ponderous pace of medieval warfare, but it may be that a good deal of his force was on horseback and that, as was the custom with Anglo-Saxon armies, they dismounted before fighting.
