The three main narrators seemed like archetypes I had met before in war novels, b "In my opinion, the greatest of the Vietnam novels! James Webb's intense Fields of Fire about Vietnam, Fields of Fire was mentioned in Rachel Maddow's Drift and it was this recommendation that made me want to read it. The locker was kept in the barn outside of the house and Hodges learned early on how to crack it open and rummage through his father's memories.

People like Webb still felt stigmatized for having gone to Vietnam. And they would sit and talk about the wars of yesterday and how brave his father. I was disappointed by the release version of Fields of Fire.
