Literal translation: to be shoved onto the long bench Proper

English translation: to be put on the back burner. An elderly

man looks back at the lives of his deceased parents. Literal

translation: to kill two flies with one swat Proper English

translation: to kill two birds with one stone.

CherrypickerReviewIn order to distinguish tracking and crane

shots from complex movement Crisp must be able to discern the

exact staging of a crane shot and distinguish the movement of

the arm and platform from the movement of the camera-head.

Unfortunately, there is also a great deal of recycling of

examples across this literature.
