The military leadership benefits from Buddhist perceptions that it is defending the Buddhist-majority nation, while the civilian wing of the government does not want to alienate voters by pushing a message out of step with majority sentiment. Most of them were talented individuals who were killed by kings because they were. He built them a shrine on Mount Popa and had images of the pair carved, covered in gold and attired in courtly robes. Instudents organized a strike when the colonial government proposed to establish Rangoon University, but limit entrance to an elite few who would be trained as bureaucrats for the colonial regime. Together, they won more than 85 percent of the seats in the election but were not allowed to take power. Through the extensive interviews conducted inside and outside the country, if the pro-democracy and ethnic-based parties win in all the constituencies they contest, they will capture only a minority of the seats in the national parliament and the regional assemblies.
