Teacher Note: Romans implies that all the things we can see in creation were created so that we could understand the spiritual truths of God. Two pieces of evidence make this clear. WikimediaCommonshasmediarelatedtoPassionofJesusChrist. Scholarly methodology bends freely to the whims of the individual scholar. The practice of using recitative for the Evangelist rather than plainsong was a development of court composers in northern Germany and only crept into church compositions at the end of the 17th century. In the United States alone, there are millions of people who struggle with chronic health or pain conditions. I.Seetoit.She has been
