There is no one-size-fits-all, but a natural ratio for your niche. Google still needs to go out and crawl those individual links you included in the disavow file, but the disavow file itself will not prompt Google to crawl those pages specifically. You can manipulate the link graph and push rankings by optimizing these internal links as .  
Soon after the Penguin algorithm was introduced, webmasters and brands whoh  
James July 3rd. Panda went after low-quality and spammy content, Penguin targeted low-quality and spammy links. At nearly 8, words, such a piece was able to spread like wildfire because it answered a burning question for a hungry audience. Thanks again! Another good solution would be letting your customers do the talking by utilizing testimonials, product reviews, comments.
