The importance of nation to the idea of the state is
highlighted by the concept of national security itself, which
implies that the object of security is the nation. Contrary to
the expectations of the secularization theorists, religious
political movements rose to prominence in numerous countries
across the globe in the past three decades. External full text

Turkey is represented in Guyana by its embassy in
CaracasVenezuela. Here a note of caution is required regarding
the role of religion as an organising ideology as we need to
be aware of the propensity to oversimplify its role in
domestic and international affairs. White is the New Black :

Populism and the academic alt-right.
