However, in the era of capitalist transition, and particularly following the massive privatization of industry since the late s, the state has largely withdrawn from the welfare sphere in the cities, while the unit system has been dissolved or restructured. This paper assesses the nature and impact of that low consumption socialist regime then and the subsequent strategies that have sustained low consumption for labor in city and countryside in the subsequent market and capitalist transition. Preferred contact method Email Text message. Bycontrast,companiestypicallyhousesingletechniciansinapartmentsin The rise of India and China has caused intellectuals of both countries to become increasingly conscious of each. By Etsuko Kinefuchi. Resisting Nikkeijin identification: the case of the Roman Catholic Portuguese Mass Religious organisations are one context in which people resist using the term Nikkeijin.
