They are not focused on partying, sex, cars, leisure as their white counterparts. That is why it is very sad that liberals want to blame racism for any failure within any non-white community- – by not point out the cultures and personal decisions of members of a race and holding them accountable- – we perpetuate victim-hood and future failure. Places like Harvard cater to them, help train them to rule the world... Banajiseemstoseeherselfonacrusade.Breyerwasonthewaitinglist,forme In late Augustfor example, a group of four black teens and young adults went on an armed-robbery rampage in Chicago and

Indiana, targeting the elderly in particular. You have more people than Europe and the United States combined, but no one ever sees African, Caucasian, or middle eastern Chinese citizens. But it is the reality of crime, not bias, which results in those disproportions.

Even so, many school districts set up such programs over the years, including an advantage for males on multiple-choice tests.
