In England and Wales jury trials are used for criminal cases, requiring 12 jurors between the ages of 18 and 75although the trial may continue with as few as 9. But there is ordinarily no way of checking, in actual cases, as to whether their feelings are accurate or not.

Hesuggeststhattheonlywaytoovercomethisalienationistoreconnectthe Jury selection in the United States usually includes organized questioning of the prospective jurors jury pool by the lawyers for the plaintiff and the defendant and by the judge- voir dire -as well as rejecting some jurors because of bias or inability to properly serve "challenge for cause"and the

discretionary right of each side to reject a specified number of jurors without having to prove a proper cause for the rejection "peremptory challenge" before the jury is impaneled. After each prospective juror has answered the general slate of questions the attorneys may ask follow-up questions of some or all prospective jurors. The Constitution of Brazil provides that only willful crimes against life, namely full or attempted murder, abortion, infanticide and suicide instigation, be judged by juries.

The author cannot agree, with respect, that this is a reasonable summation of what happen simply to stimulate appetites that have already seen and heard a great deal".
