Doing the right thing on purpose. As Rachel Carson said. Ofcourse, this is ofteneasier said than. Whatever your beliefs, you probably want your child to know that life is sacred, that their choices matter, that nature deserves a certain reverence, that their presence in the world contributes to joy and goodness, that things have a way of working out not always

as we expect that the greatest joy usually comes from connecting and sharing with others, that being uncomfortable can push us to grow, and that while we don't always get what we want, we can always choose to make the most of what we. The story's application ought to be, "Make sure you are on God's . This one is somewhat connected to the tip before but I feel it needs to be emphasized there is a direct correlation between the early training a child receives from parents and the rapidity with which a child learns, how important would it be, then, for us to spend time reading the gospel of Jesus Christ to our children, to imbue and instill in them, in their tender and early years, faith in the gospel of our Lord and Savior?
