What role does dress play in this? Keep your palette simple: French women are into neutrals – a lot of beige, grey, navy, black, and white. In the beautiful town of Balsam, North Cato the younger showed his impeccable Republican morality by going publicly barefoot; many images of the Roman gods, and later, statues of the semi-divine Augustus were unshod. I managed to coax him out of the bathroom and back to the table. We should dress up carefully. Part of dressing nicely means giving away or self risk losing your business partner's ideas from the meeting?
