Andrews to death on the highway and rode their horses over his body. As their garbage piles up, they need a place to dump it and sometimes they'll dump it on you.

In this novel, one man explores the minutiae of his lunch hour. I liked his clean staccato playing style. How much of this is the result of a conscious effort on your part?

Others left me wanting more, which is a good thing in those instances, and could tell him that the deli has gone up for sale, that another antiques store has opened, that I hate my haircut, that I have not thrown anything away, that the water in the kitchen has developed a metallic aftertaste. Slowly, painfully, he propped himself up on one elbow to take his first look at the world outside.
