I knew little about the war in Korea and this book was absolutely fascinating on several levels. I have begun to do that too after reading these accounts and understanding what these men did even as I completed my own 27 years of service. According to the teachers, the rebels had attacked the mining areas in the afternoon. Howdoesonestop?Finally, Karla makes her way toward a healthier, if less glamorous, life. Her's father's struggles as a Korean POW and her having to deal with those aftereffects are poignant.
