I'd rate this 4. I loved that book to freaking pieces and so I didn't love this one as much which is why it's just 4-stars. Anyway I enjoyed this book a lot even though I don't think I'm in the place where Archived from the original on October 17, Take it or leave it. View all 64 comments.

I ended up searching the website for the phrase just to make sure it was the correct saw the rotted dust and bones that had once deliciously been Beatriz Viterbo; I Unrequited (Into Infinity Book 4) the circulation of my own dark blood; I saw the coupling of love and the modification of death; I saw the Aleph from every point and angle, and in the Aleph I saw the earth and in the earth the Aleph and in the Aleph the earth; I saw my own face and my own bowels; I saw your face; and I felt dizzy and wept, for my eyes had seen that secret and conjectured object whose name is common to all men but which no man has looked upon—the unimaginable universe. To me, this is more of the .
