Nice refresher. In most cases, your will not be followed by an adjective a word that describes something when that adjective is describing the person that you are talking to. The word fat is a perfectly good one, but when it is hijacked by neo-puritans, with the implication that slimness equates to virtue, we are on dangerous ground. Format:Paperback.
Co-authors: My argument has always been that even if you can understand all those big words, do you want to wade through them? Cancelreply.Santo J. Shorten, delete, and rewrite anything that does not add to the meaning.
