Interview with Malahat editor, John Barton. Enchanting piece. JT: This poem both seems to be a critique of Vancouver and a celebration of it. The voices contain within figments of dust and deep trenches, everyday harmonies and soliloquies in the sand. What Will Your "You" Do? We have a tendency to hide Everyday before leaving home We put on our mask And leave to go into the real world There's almost no room for authenticity How can we "just" be ourselves?

International Communication of Chinese Culture. A family saves a rocket that " How will you create the world? Sandburg writes here in the language of the people, directly and with relatively little embellishment, except for a limited use of metaphor, giving this poem a modern feel.
