Finally, a creative way to get us at least me to read about preparing for a disaster. This might be the only way to get lazy, media-crazed teenagers such as myself to think about being prepared for a disaster. Love it... IWentLookingforYou. It seem as if most government agencies try to avoid this type of thinking. For other uses, see Zombie apocalypse disambiguation. Ithinkthisisagreatidea. Some clever people at the CDC have provided us with an exception to the rule that our government is populated exclusively by humorless automatons.
