The Epistemology of the Closet. Sedgwick, Eve Kosofsky. Notes that for many years Stevenson was better received by general readers and practicing writers than by critics.

Dispossessed and destitute, the 'trio' agreed to sail a smallpox-infected ship. Stevenson recalled this time of sickness in "The Land of Counterpane" in A Child's Garden of Verses[12] dedicating the book to his nurse. Much biographical attention was directed upon his wife and friends and the Stevenson family. His first published work was a historical essay derived from a romance on the same subject The Pentland Rising: a Page of History, In the first thirty years after his death, an impressive number of his collected works were published. His parents were both very religious.
